Friday 27 September 2024

Upcoming Events

Green & Gold Dress Up Day
Date: Friday 2 August
Venue: St Joseph's School - Murray Bridge

100 Years of St Joseph's School!
Date: Friday 7 February - Saturday 8 February
Venue: St Joseph's School - Murray Bridge

From the Principal

Dear parents, carers, teachers, and students,

We hope you had a restful holiday and stayed warm. Our students have returned enthusiastically and are already experiencing great learning opportunities. The Year 4s have also been on an overnight camp, which they loved.

The Exciting Events This Term:

- Green and Gold Dress-up Day
- Murray Bridge Show
- Grandparents Day
- Book Week
- Preparing for 100 Years School Celebrations in 2025

Term Three is an important time for our new Mid-term enrolments and our transition to school program, Joey's, which provides a chance for new and current families to begin the transition to our school. We are also in the process of preparing for new enrolments in the upcoming year, 2025.

We're excited about the term ahead and all the wonderful activities planned!

Get Ready for the Paris 2024 Olympic Games!

Excitement is building for the Paris 2024 Olympic Games, one of the biggest events ever held in France! From July 26 to August 11, 2024, athletes worldwide will compete in 19 days of thrilling sports action.

A total of 10,500 athletes will go for the gold in 329 events across 35 different sports. Our very own Australia is expected to send a strong team of 460-480 athletes, ready to make us proud!

Paris will join London as the only city to have hosted the Olympics three times, having previously done so in 1900 and 1924. Next week, the students and staff are invited to get into the theme of celebrating this event by dressing in green and gold and donating a gold coin to a local sporting organisation. Let's cheer on our athletes and get ready for an unforgettable Olympic Games!

St. Joseph's School News: Living Learning Leading Survey – Week 2

Upcoming Survey Participation

Next week, St. Joseph's School will roll out the Living Learning Leading Survey to all parents, students, and staff. This initiative is part of a broader effort across all Catholic Education System schools within the diocese. Developed by Catholic Education SA, these surveys are crucial tools for evaluating our school's progress and effectiveness according to the principles outlined in our guiding framework.

Purpose of the Survey

The data gathered from these surveys will play a key role in our school's self-assessment process, particularly in four main areas:

- **Catholic Identity**
- **Curriculum and Co-constructed Learning and Assessment Design**
- **Student Agency, Identity, Learning, and Leadership**
- **Community Engagement**

By analysing the feedback, we can align our improvement strategies more effectively with the needs and perceptions of our school community.

Key Information

- **Survey Duration:** It will take approximately 3-5 minutes to complete.
- **Significance:** This is a valuable chance for parents and caregivers to share their experiences and insights about the school.
- **Confidentiality:** Individual responses are anonymous. The results will be compiled into collective graphs representing all parent and caregiver feedback.
- **Multiple Children:** If you have more than one child enrolled, please base your responses on your experience with your eldest child at the school.

We value your input and are committed to listening to and using your feedback to enhance the educational experience at St. Joseph's School. Thank you for your participation and support!

Staying Connected with Teachers

Our staff is excited for a fantastic term ahead, focusing on both learning and your child's well-being. We value open and respectful communication and are dedicated to partnering with families.

Communication Tools:

- **Seesaw App:** Use this app for regular updates on classroom activities and events.
- **School Newsletter:** Distributed online and via email link in Weeks 1, 3, 5, 7, and 9, this newsletter provides important information from school leadership. Please visit the front office if you need help setting up these apps or want a printed copy.

Important Notes:

- During teaching hours or supervision duties, teachers cannot engage in in-depth conversations or check emails and Seesaw messages.
- For urgent matters, please get in touch with the office so they can relay messages promptly. Alternatively, you can schedule an appointment for face-to-face discussions.

Response Time:

- Staff will respond to emails/seesaw app and messages within 48 hours during business hours. Please note that responses will not be made after hours or on weekends.

We appreciate your understanding and cooperation.

Have a great fortnight! "Go for Gold Aussies"

From the Classroom - Receptions

Celebrating the 100th day of school at St Joseph's School Murray Bridge marks a joyful milestone for our Reception children. It's a

special occasion where we celebrate their journey of learning and growth since the school year began. From making new friends to learning letters and numbers, each day has been filled with discovery and excitement. Through games, activities, and reflections, we honor their progress and accomplishments, fostering a love for learning that will continue to grow. This day is not just about numbers but about the wonderful memories and experiences that shape their educational journey.

Year 4 Camp - AFL MAX!

The Year 4 students recently had an amazing overnight camp at AFL Max. The camp focused on promoting well-being and teamwork with the theme "Healthy Body, Healthy Food, Healthy Minds, Healthy Team." The kids enjoyed rock climbing, football skills, team-building activities, learning about healthy food choices, and bouncing on trampolines, which ensured everyone found something they loved.

The camp was organised into a '4 Quarter Model,' just like a footy game, making it easy and fun for the kids to understand and engage with these important life skills. They got to improve their fitness, learn about developing a growth mindset, and the importance of keeping positive when things get challenging. Team-building activities helped them work together and strengthen friendships across the year level in a supportive environment. At the end of day one, the students enjoyed a movie on the big stadium screen. Both students and staff had a fantastic time. This adventure at AFL Max was a blend of fun, learning, and laughter, making it a truly memorable experience for all.

From the Library - BOOK WEEK!

This term we celebrate Book Week in Week 5. There will be many fun-filled activities throughout the week including a Book Treasure Hunt, Matching Teachers to their favourite Books, Buddy Activities & Reading, Grandparents (and Special Friends) Day, Celebrity Guest Readers and of course the Book Week Parade on the Friday.

We are also lucky to have Author/Illustrator Martin Chatterton visit our school for an exciting and engaging presentation for all students on Friday 9th August (Week 3), as well as a Book Week Performance called 'Maybe a Miracle' for Reception to Year 4 students run by Perform Education on Monday 12th August (Week4).

Don't forget to start thinking about your child's Book Week dress up costume for Friday 23rd August. Students can come dressed up in any book or book character or even something to do with this year's theme 'Reading is Magic'.

Bridge Bricks Expo

The poster for the Bridge Bricks Expo 2024 is set against a bright yellow background. At the top left is the Mobilong Rotary Club logo, featuring a blue gear with a white 'R' and the text 'Mobilong Rotary Club'. To its right is a small cluster of colorful LEGO bricks. At the top right is the Murray Bridge High School logo, which includes a stylized 'M' and 'B' and the motto 'PALJI NAMAMI - THE FUTURE IS OURS'. The main text in the center reads 'BRIDGE BRICKS EXPO 2024' in large, bold, black letters, followed by 'Saturday 24th - Sunday 25th August' and '10.00am - 4.00pm'. Below this, it states '(To be held in the Murray Bridge High School Gymnasium)'. On the left side, there is a call to action: 'Display your skill and creativity using Lego or come along to be inspired by the amazing works on display', accompanied by another image of LEGO bricks. On the right side, it lists 'Judging Categories including People's Choice Award' and a list of categories: '** Something seen at Monarto Safari Park', '** Vehicles', '** TV / Movie Inspired', '** Dinosaurs', '** Princess / Fairies', and '** Open'. At the bottom, contact information is provided: 'For information contact Bronwyn Heard 0417 197 219 or email bridgebrick.expo@gmail.com'. A small disclaimer at the bottom left reads: '*LEGO® is a trademark of the LEGO Group of companies which does not sponsor, authorize or endorse this event.'
